[Big Battery Hunt – National Schools Partnership](#)

School council are running 'The Big Battery Hunt' as part of the UK's biggest school battery recycling programme. Please send in any used batteries or leave them in reception where we will be placing a special collection box. Please note - We are only collecting **AAA, AA, C and D** batteries for this activity.

The competition will close on **Monday 3 June** so we need to make sure we get lots of batteries before then!
