

Why I have to stay at home

When  lots  of people  are sick  social distancing  can help  me  stay healthy. 

Social distancing  means staying away  from busy places  and  other people. 

Activities,  and  events  will be cancelled .

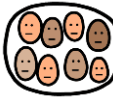

School  and busy  places  will be closed  to keep people  healthy. 

I may not  be able to do my  normal activities. 

I may  need to stay at home  so I can stay healthy. 

It  will be okay  and I can find other fun 
things  to do at home. 

It  may be a while  before I can go back  to
my  normal activities. 

I **i** will be able to go back  to my  normal
activities  when  everyone  is better.
